WELCOME

A message from our Director

Dear valued client,

Fumuno was founded in 2020 on a simple belief: that every guest, worker and visitor deserves sanitation that is clean, dignified and presentable, whether at a family celebration or a national facility.

Since then we have grown from private functions to serving corporate clients, event organisers, premier venues, construction sites and the public sector, including Denel Aeronautics and a national Women's Day celebration hosted by the Department of Water and Sanitation.

This portfolio sets out our full range, the standards we hold ourselves to, and the work we are proud of. We would be honoured to serve you next.

PLANNING GUIDE

How many units do I need?

Events & functions

GUESTS	UP TO 4 HRS	4 – 8 HRS
50 guests	1	2
100 guests	2	3
200 guests	3	5
300 guests	5	7
500 guests	8	12
1 000 guests	15	22

Indicative number of toilet units. We confirm the final recommendation once we know your venue and programme.

PLANNING TIPS

- Serving alcohol? Add about 25% more units.
- Plan extra ladies' capacity — queues form there first.
- Longer than 8 hours or multi-day? We add servicing visits.
- Place units on level ground within easy reach of guests.

CONSTRUCTION SITES

Employers must provide adequate sanitary facilities under the OHS Act — the Facilities Regulations, 2004 and Construction Regulations, 2014, with numbers based on SANS 10400. Share your headcount and we will size your site facilities.

Send us your guest list size and event hours — we will do the maths.

OUR STANDARDS

Quality, hygiene & safety

Hygiene protocol

Our crew wears PPE on construction and industrial sites, cones off work areas, and levels every unit before use.

Road safety

Road-registered trailers with reflective chevrons and lighting, towed by our own branded vehicles.

Presentation

Branded, décor-finished units positioned neatly, so they complement your venue rather than spoil it.

Accountability

One point of contact from quotation to collection, and a crew that stays reachable throughout your hire.
